

# Your Partner in the Success of Flavor

 Specialized products for all professional food applications

Head Office - Production

## Corporate Profile

Papadimitriou SA has been active for more than 50 years. Our object is the **import, trading and production of auxiliary materials, spices and aromatic herbs for the Food Industry and Food Service**, both in Greece and abroad.

## Facilities | R&D

At our privately owned facilities (6000m<sup>2</sup>, Industrial Area of Sindos), we ensure the high quality of our products.

Branch, Logistics Center

Our **R&D department** develops **innovative products** tailored to meet the industry's specific needs.

R&D Department

# Our company is constantly evolving on

the research and production of customized functional ingredients for the food industry.

## Quality | Certification

Our company is certified for the implementation of a **Food Safety Management System** in accordance with **ELOT EN ISO 22000:2018, IFS, HALAL and BIO standards**, issued by accredited certification bodies. Our **Quality Department** oversees every phase of the production process to ensure full compliance with specifications and quality standards.

Additionally, we offer **Private Labeling services**, acknowledging your need for products that align with your unique requirements.

We have long-standing collaborations with **select international brands**, guaranteeing the **quality** of our commodities. Furthermore, our modern warehouse facilities enable prompt **availability and on-time delivery** of our products.
